

Room Mate

Group 2: Cameron, Grace, Jaden, Brendan, Mei

Mission statement:

We bring the largest room of potential roommates to your fingertips.

What We Do

At Room Mate, we are determined to eliminate the stressful experience of finding the right roommate during ones college years.

A close-up photograph of a person's hand holding a pen, poised to write on a piece of paper on a desk. The background is out of focus, showing some bokeh light effects. The text 'The solution' is overlaid in white on the left side of the image.

The solution

Determined to ease this process we created Room Mate:

1. Student opens an account with their student email
2. Complete their profile with info preferences school ect.
3. Filter and browse students with similar preferences
4. Match and share contact info with the between mutually interested Room Mates!

Hey boys! I'm new to Boulder and looking for a group of young and energetic students to live with. I took a few gap years after high school, but I'm still seventy one years young and have some spring left in my step! I love to spend time with my wife and grandchildren, playing bingo, and watching golf. Looking for some roommates to rent a place on the Hill, throw parties and get completely hammered with!
